

## CURRICULUM VITAE

**Name** Nils Anders Klevmarken

**Born** in Stockholm 1941-09-25

**Business address** Department of Economics  
Uppsala University  
P.O. Box 513  
S-751 20 UPPSALA  
Sweden

Econometric Research HB  
Vänsberg 120.  
SE-66298 TÖSSE  
Sweden

### **Degrees**

1964 Fil.kand., Stockholm University  
1968 Fil.lic.(Statistics), Stockholm University  
1972 Fil.dr. (Statistics), Stockholm University  
1972 Docent (Statistics), Stockholm University  
1983 Docent (Economics), Gothenburg University

### **Previous appointments**

1963-1971 Assistant teacher and lecturer at the University of Stockholm  
and at the Stockholm School of Economics (part time)

1963, 1965-1968 Statistician, Statistics Sweden (part time and full time)

1970 Visiting professor, Department of Banking and Finance and  
Department of Economics, University of Georgia (8 months)

1968-1976 Senior Research Associate, The Industrial Institute for  
Economic and Social Research (IUI), Stockholm

1972-1976	Associate Research Professor in empirical econometrics, Swedish Council for Social Science Research, Stockholm
1976-1985	Professor of Statistics, Gothenburg University
1980-1981	Visiting Scholar, Department of Economics and Survey Research Center, ISR, University of Michigan, USA
1984-1985	Head of the unit for research and evaluation at the social security administration (RFV), Stockholm
1985-1994	Professor of Econometrics at the Swedish Council for Humanities and Social Science Research (Location: 1985-1993 Department of Economics, Gothenburg University, 1994 Department of Economics Uppsala University)
1994-2007 2004-2007	Professor of Econometrics, Uppsala University Scientific secretary, the Regional Ethical Committee, Uppsala

### **Present positions**

2007-	Professor emeritus, Uppsala University
1986-	Managing director, Econometric Research HB, Tösse

### **Honors**

1999-	Fellow, Institute for the Study of Labour (IZA), Bonn
-------	---

### **Services to the academic community**

- Head of the Department of Statistics, Gothenburg University (1977)
- Member of the executive committee of the social science faculty, Gothenburg University (1978-1979)
- Member of the board for the Svenska Handelsbanken and Tore Browaldh's research foundations (1980-1981)
- Member of the board for the research funds of the Gothenburg School of Economics (1975-1993),
- Member of the advisory board for the German panel study at DIW Berlin and Sfb 3 at the Universities of Frankfurt and Mannheim (1983-1988),
- Member of the scientific advisory board of Statistics Sweden (1985-2009),
- Member and deputy member of the board of the University Computer Center, Gothenburg (1987-1993),
- Deputy member of the Delegation for Social Research, Stockholm (1986-1990),
- Member of the Swedish Council for Social Research, SFR and chairman of a review committee (1990-1995),
- Member of the Tore Browaldh Foundation for Economic Research (1991-1993),

- President Elect 1991 and President 1992 of the European Society for Population Economics,
- Associate editor of the Journal of Population Economics (1991-2006),
- Member of the board, Institute for Housing Research, Gävle (1997-1999)
- Chairman of advisory committees to the Rockwool Foundation Research Unit, Copenhagen (1996 -2001).
- Chairman of the social science faculty committee for quality evaluation and quality improvement, Uppsala University (Dec. 1999 -2002)
- Country team leader and working group leader in the SHARE/AMANDA project (Survey of Health Ageing and Retirement in Europe) (2001 -2006)
- Member of the Editorial Board, International Journal of Time Use Research (eIJTUR) (2002 -)
- Member of the Scientific Advisory Board of the DWI Berlin (2005 -2009)

### **Expert/referee for university positions**

1985	Professur i nationalekonomi, Oslo Universitet Forskarassistenttjänst i konsumentekonomi, Lunds Universitet
1986	Forskningsprofessur (statistik), Finlands Akademi
1988	Professur i statistiska metoder, Odense Universitet Adjungerad professur i socialförsäkringsekonomi, Göteborgs Universitet
1989	Doktorandtjänst i ekonometri, HSFR Docentur i ekonometri, Göteborgs Universitet
1990	Professur i ekonometri, Umeå Universitet Högskolelektorat i ekonometri, Göteborgs Universitet
1991	Befordran till associate professor, University of California, Irvine
1992	Docentur i nationalekonomi, Uppsala Universitet
1994	Docentur i nationalekonomi, Uppsala Universitet August Röhss professur i statskunskap, Göteborgs Universitet
1995	Adjungerad professur i socialförsäkringsekonomi, Uppsala universitet
1996	Professur i statistik särskilt bostads- och byggforskning, Uppsala Universitet
1997	Professur i ekonometri, Lunds Universitet
1999	Professur i statistik, Handelshögskolan i Helsingfors Universitetslektorat i ekonometri, Högskolan i Skövde Forskarassistenttjänst inom området "Barn och familj", SFR
2000	Docentur i statistik, Umeå Universitet
2001	Professur i statistik särskilt ekonometri, Uppsala Universitet
2003	Docentur i nationalekonomi, Lunds Universitet
2004	Professur i nationalekonomi, University of Iceland
2005	Evaluation of Assoc.prof. P. Carlin for promotion at Indiana University

### **Organizer of major conferences**

1980	Conference in income distribution issues, Fiskebäckkil Ekonometridagarna
1992	The International Symposium on Economic Modeling, Göteborg
1996	The 10th Meeting of the European Society for Population Economics, Uppsala

1998 Nordic meeting of Econometrics, Uppsala

### **Faculty opponent on dissertations**

1973 Tor Eriksen, Stockholms Universitet ("En prognosmodell för den allmänna tilläggspenionen ATP")  
1997 Yngve Willassen, Universitetet i Oslo ("A Theoretical and Empirical Study on the Consumption Function")  
1990 Jörgen Asness, Universitetet i Oslo ("Consumer Econometrics and Engel Functions")  
1993 Jens Bonke, Handelshögskolan i Köpenhamn ("Faktotum. Husholdningers produktion")  
2006 Mette Görtz, University of Copenhagen ("Leisure, Household Production, Consumption and Economic Well-being")

Without having any detailed documentation, I have been a member of a great number of Phd examination committees, been a referee for well-known international scientific journals, and worked in a number of university committees. I have also given guest lectures and seminars at many universities and research institutes around the world.

### **Public commissions**

- Member of the executive committee of the Swedish Statistical Association (Statistiska Föreningen), Stockholm (1973-1976)
- Member and vice chairman of the consumer price index committee at Statistics Sweden (1987- 2009),
- Member of a government committee commissioned to restructure the national system of official statistics (1993).
- Member of an expert committee on illness and work disability issues (expertkommitté till sjuk- och arbetsskadeberedningen) (1995)
- Expert of the government committee: Review of Economic Statistics (Översyn av den ekonomiska statistiken, Ju 2000:05) (2000-2003)

### **Research grants**

#### Hushållens ekonomiska levnadsförhållanden (The Swedish household panel study HUS)

1981-97 Riksbankens Jubileumsfond totalt anslag: ca 12 345 000  
Forskningsrådsnämnden  
Byggnadsforskningsrådet  
HSFR  
K.A. Wallenbergs stiftelse  
Marianne och Markus Wallenbergs stiftelse  
SFR  
Kommittén för utvärdering av skattereformen (KUSK)  
Industriens Utredningsinstitut

Ett antal företag

<u>MICROHUS, En ekonometrisk analys av hushållssektorn</u>		
1987-90	HSFR	totalt anslag: 795 000
<u>A Microsimulation Study of the Swedish 1991 Income Tax Reform</u>		
1991-94	HSFR	totalt anslag: 1 249 000
<u>Förmögenhetsfördelning och förmögenhetsrörlighet</u>		
1987	Sparbankernas Forskningsstiftelse	totalt anslag: 109 000
<u>Basorganisation för professur i ekonometri</u>		
1988-95	HSFR	totalt anslag: 3 952 000
<u>Program för forskargrupp i socialpolitik</u>		
1988-94	Delegationen för social forskning/SFR	totalt anslag: 1 369 200
<u>De väsentliga orsakerna bakom valet av färdmedel i en storstadsregion</u>		
1990-92	Transportforskningsdelegationen	totalt anslag: 100 000
<u>International Symposium on Economic Modeling</u>		
1991	Handelshögskolefönderna, Jan Wallanders stiftelse HSFR 1:a Sparbanken Svenska institutet	totalt anslag: 474 000
<u>Kvinnors arbete i Sovjet. En komparativ studie</u>		
1991	SFR	totalt anslag 95 000
<u>Projektsamarbete med forskare i Sovjetunionen</u>		
1991-93	KVA	totalt anslag: 100 000
<u>Research on the effects and consequences of the 1990/91 tax reforms</u>		
1992	Jan Wallanders och Tom Hedelius stiftelse	totalt anslag: 850 000
<u>A Microsimulation Study of the Swedish 1991 Tax Reform</u>		
1992-94	HSFR	totalt anslag: 965 000
<u>A preference free analysis of nonconvex budget sets</u>		
1992	Ekonomiska Rådet	totalt anslag: 200 000
<u>Ekonometridagarna</u>		
1992-98	HSFR	totalt anslag: 518 000
<u>Erik Malmstens gästprofessur</u>		
1993	Handelshögskolan, Göteborgs Universitet	totalt anslag: 295 000
<u>Changes in the distribution of wealth</u>		
1993	Ekonomiska Rådet	totalt anslag: 120 000

The 10th Meeting of the European Society for Population Economics

1995 SFR totalt anslag: 102 000

A European Benefit-tax Model and Social Integration

1995 European Union totalt anslag: 8000 euro

Har vi tid med våra barn?

1997-99 SFR totalt anslag: 900 000

Estimering och validering av mikrosimuleringsmodeller

2000-02 HSFR/VR totalt anslag: 1 760 000

The Economics of the Old Baby-boomers

2001-04 SFR/FAS totalt anslag: 3 420 000

Inkomst- och förmögenhetsfördelningen för morgondagens äldre

2001 Den offentliga utredningen Senior 2005 totalt anslag: 314 000

Survey on Health and Retirement in Europe (SHARE)

2001 FAS totalt anslag: 650 000  
2001-04 European Union totalt anslag: 123 470 euro  
2004 Riksbankens Jubileumsfond totalt anslag: 1 000 000  
2005 Försäkringskassan totalt anslag: 1 500 000  
2006 European Union totalt anslag: 405 507 euro

Advanced Multidisciplinary Analysis of New Data on Aging

2003-05 European Union totalt anslag: 257 435 euro

COMPARE (Toolbox for Improving the Comparability of Cross-National Survey Data with applications to SHARE)

2006-2007 European Union totalt anslag: 69 920 euro

**Thesis advisor/assistant advisor**

<b>Defence year</b>	<b>Phd candidate</b>	<b>Dissertation title</b>
1976	Siv Gustafsson	Lönebildning och lönestruktur inom den statliga sektorn
1979	Björn Gustafsson	Inkomstutveckling och uppväxt
1986	Lennart Flood	On the Application of Time Use and Expenditure Allocation Models
1988	Leif Andersson (lic.)	Konsumtionsutgifter i svenska hushåll. En tvärsnittsstudie. (Consumption expenditures of Swedish households. A cross-sectional study.)
1993	Christos Milopholos	Investment Behaviour under Uncertainty: An econometric analysis of Swedish panel data
1993	Ali Tasiran	Wage and Income Effects on the Timing and Spacing of Births in Sweden and the United States

1993	Lars Bager-Sjögren (lic.)	A comparison of OLS and LAV. A simulation study using stable distributions.
1994	Almas Heshmati	Estimating Technical Efficiency, Productivity Growth and Selectivity Bias Using Rotating Panel Data: An application to Swedish agriculture
1994	Katarina Katz	Gender Differentiation and Discrimination. A study of Soviet wages
1995	Peter Brose (lic.)	Sickness Absence: An empirical analysis of the HUS panel
1996	Roger Svensson	Foreign Activities of Swedish Multinational Corporations
2001	Ranjula Bahli Swain	Demand, Segmentation and Rationing in the Rural Credit Market of Puri
2002	Daniel Hallberg	Essays on Household Behavior and Time-Use
2007	Fredrik Johansson	Essays on Measurement Errors and Nonresponse

## PUBLICATIONS

### A. Monographs

- 1971 Den privata konsumtionen 1931-1975 (Private Consumption in Sweden 1931-1975), jointly with C.J. Dahlman, IUI/Almqvist & Wiksell, Uppsala
- 1972 Statistical Methods for the Analysis of Earnings Data, IUI and the National Central Bureau of Statistics, Almqvist & Wiksell, Stockholm
- 1974 Industritjänstemännens lönestruktur (Age-Earnings Profiles for Highly Educated Employees in Swedish Industry), in association with Ulf Jakobsson, Göran Normann and John M. Quigley, IUI/Almqvist & Wiksell, Uppsala
- 1976 Personal Integrity and the Need for Data in the Social Sciences, Proceedings of a symposium, edited jointly with Tore Dalenius, Swedish Council for Social Science Research, Stockholm
- 1980 Ålders-, kvalifikations- och beföringstillägg. En studie av industritjänstemännens lönebildning. (Age, Qualification and Promotion Supplements. A Study of Salary Formation for Salaried Employees in Swedish Industry. For an English translation see Research Report 1980:3), Department of Statistics Publications No 17, Gothenburg University, Almqvist & Wiksell International, Stockholm
- The Static and Dynamics of Income, jointly edited by J. Lybeck, Tieto Ltd
- 1981 On the Complete Systems Approach to Demand Analysis, IUI/Almqvist & Wiksell International, Stockholm
- 1983 Lönebildning och lönestruktur. En jämförelse mellan Sverige och USA (Wage Setting and Wage Structure. A Comparison between Sweden and the United States), IUI/Almqvist & Wiksell International
- 1989 The Political Economy of Social Security, jointly edited by B. Gustafsson, North-Holland
- 1990 Tid och Råd. Om HUSHållens ekonomi (To have time and to afford. On household economics), editor and contributor, IUI/Almqvist & Wiksell International, Stockholm
- 1993 Household Market and Nonmarket Activities. Procedures and Codes 1984-1991, volumes I-II, jointly with P. Olovsson. The Industrial Institute for Economic and Social Research (IUI), Almqvist & Wiksell International, Stockholm.
- 1997 Household Market and Nonmarket Activities (HUS), Vol. III-VI (jointly with L. Flood and P. Olovsson) Department of Economics, Uppsala University.

- 2005 50+ i Europa. En åldrande befolknings hälsa och ekonomi, editor jointly with Axel Börsch-Supan, Department of Economics, Uppsala University, ISBN91-506-1804-0
- 2008 Simulating an Ageing Population. A microsimulation approach applied to Sweden. Editors Anders Klevmarck and Björn Lindgren. Contributions to economic Analysis 285. Emerald, ISBN 978-0-444-53253-4
- 2010 Vem arbetar efter 65 års ålder? En statistisk analys. (Who works after the age of 65? A statistical analysis.) A report from Sociala Rådet. Statens Offentliga Utredningar , SOU 2010:85, Elanders Sverige AB, Stockholm, ISBN 978-91-38-23475-4

## **B. Articles**

15 articles and comments not listed below on statistical and economic issues in Swedish journals during the period 1965-1975.

1970 Thoughts on An X-12, jointly with Joseph M. Bonin, The 1970 Business and Economic Statistics Section. Proceedings of the Americal Statistical Association

1975 System av efterfrågefunktioner; några utvecklingstendenser. Yearbook of the Finnish Society for Economic Research 1974

Comments on Jacob Micer's "Progress in Human Capital Analysis of the Distribution of Earnings", Royal Economic Society Lancaster Conference, Volume: The Personal Distribution and Income, ed. by A.B. Atkinson, George Allen & Unwin Ltd, London

On the small sample properties of Aitken-type estimators and test statistics applied to seemingly unrelated regressions, 1975 Business and Economic Statistics Section Proceedings of the American Statistical Society

1976 Age, Experience, Earnings and Investments in Human Capital (jointly with J.M. Quigley), Journal of Political Economy, Vol 84, No 1

Utvecklingstendenser i den privata konsumtionen, Bilaga 2 i Industrien och Sysselsättningen, Sveriges Industriförbund, Stockholm

Den privata konsumtionens fördelning på varugrupper 1950-1980, Chapter 5 in IUI:s långtidsbedömning 1976, IUI/Almquist & Wiksell International, Stockholm

Statistik, Presentation av ämnesområden utgivna i samband med Göteborgs Universitets professorsinstallation, Erik Lindegrens Boktryckeri AB, Göteborg

1977 A note on new goods and quality changes in the true cost of living index in view of Lancaster's model of consumer behaviour, Econometrica, Vol 45, No 1

1978 On the relationship between cross-sectional and cohort earnings profiles (jointly with Anita Jonsson), Annales de L'INSEE, 30-31, 331-354

On the estimation and other problems of statistical inference in the micro simulation approach, IUI conference Reports 1978:1 and 1980:1

1979 A Comparative Study of Complete Systems of Demand Functions, The Journal of Econometrics, 10, 165-191

1980 Disequilibrium and Non-Neutral Market Effects on Age-Earnings Profiles (jointly with Anita Jonsson), The Statics and Dynamics of Income, ed. by N.A. Klevmarcken and J.A. Lybeck. Also published in Studies of Labor Market Behavior: Sweden and the United States, IUI Conference Report 1981:2

- The Distribution of Cohort Incomes in Sweden 1960-73: A Comparative Static Analysis (jointly with J. Creedy, P.E. Hart and A. Jonsson), The Statics and Dynamics of Income, ed. by N.A. Klevmarcken and J. Lybeck, Tieto Ltd
- Income Mobility in Great Britain and Sweden (jointly with J. Creedy and P.E. Hart), The Statics and Dynamics of Income, ed. by N.A. Klevmarcken and J. Lybeck, Tieto Ltd
- Löneskillnader och löneökningar, Ekonomisk Debatt 1980:3
- 1981 Prognosmodell för privat konsumtion, LU 1980, jointly with L. Flood, Bilaga 6, DsE 1981:5, Liber Förlag, Allmänna förlaget
- 1982 Missing Variables and Two-stage Least-squares Estimation from More Than One Data Set, The 1981 Business and Economic Statistics Section, Proceedings of the American Statistical Association
- On the Stability of Age-Earnings Profiles, The Scandinavian Journal of Economics
- 1983 There is a need for applied micro econometrics, The IUI Year Book 1982/83
- Pooling incomplete data sets, Statistical Review, special issue in honor of Tore Dalenius, 1985:3
- 1984 Household Market and Nonmarket Activities. The First Year of A Swedish Panel Study, 1984 Proceedings of the American Statistical Association, Business and Economic Statistics Section. Also published in Vierteljahrshefte zur Wirtschaftsforschung, Heft 4 1984, Deutsches Institut für Wirtschaftsforschung.
- Som man frågar får man svar? Surveyundersökningar i samhällsvetenskaplig forskning, Nordisk Statistisk Skriftserie, No 42
- 1985 Collecting Data for micro analysis. Experiences from the HUS pilot study, in Microanalytic Simulation Models to Support Social and Financial Policy, ed. by J. Merz and H. Quinke, North-Holland
- Tid och pengar, A report from the HUS project, Department of Economics, Gothenburg University
- 1986 Observera, förstå och förutsäga (Observe, understand and forecast), Ekonomisk Debatt 1986:3
- Höj och sänk pensionsåldern, Socialmedicinsk Tidskrift 1986:6
- 1987 Market and nonmarket service production in Swedish Households, The IUI yearbook 1986/1987, The Industrial Institute for Economic and Social Research, Stockholm

- Den svenska förmögenhetsfördelningen 1983/84 (The distribution of wealth in Sweden 1983/84) in Berg et.al. Sparande, Skatter och Kreditpolitik, Sparfrämjandet, Stockholm

Dynamic microsimulation for policy analysis: Problems and solutions, chapter 2 in Simulating an Ageing Population. A microsimulation approach applied to Sweden. Editors Anders Klevmarcken and Björn Lindgren. Contributions to economic Analysis 285. Emerald, ISBN 978-0-444-53253-4

The income of the baby boomers, (with Lennart Flood and Andreea Mitrut), chapter 8 in Simulating an Ageing Population. A microsimulation approach applied to Sweden. Editors Anders Klevmarcken and Björn Lindgren. Contributions to economic Analysis 285. Emerald, ISBN 978-0-444-53253-4

The distribution of wealth (with Lennart Flood), chapter 9 in Simulating an Ageing Population. A microsimulation approach applied to Sweden. Editors Anders Klevmarcken and Björn Lindgren. Contributions to economic Analysis 285. Emerald, ISBN 978-0-444-53253-4

Simulating the future of the elderly, chapter 12 in Simulating an Ageing Population. A microsimulation approach applied to Sweden. Editors Anders Klevmarcken and Björn Lindgren. Contributions to economic Analysis 285. Emerald, ISBN 978-0-444-53253-4

Evaluation and conclusions, chapter 13 in Simulating an Ageing Population. A microsimulation approach applied to Sweden. Editors Anders Klevmarcken and Björn Lindgren. Contributions to economic Analysis 285. Emerald, ISBN 978-0-444-53253-4

Explaining the Size and Nature of Response in a Survey on Health Status and Economic Standard, Journal of Official Statistics Vol 24, No. 3, pp 431-450

2009 Towards an applicable true cost-of-living index that incorporates housing, Journal of Economic and Social Measurement, 34(1) 1-50 (2009).

Forskare på IUI under en tid då nya metoder och data förnyade empirisk forskning. IFN/IUI 1039-2009. Sju decennier av forskning om ett näringsliv i utveckling ed. M. Henrekson, Stockholm: Ekerlids

### **C. Selected recent research reports and working papers**

- 2000     Time for children? – A study of parents’ time allocation. (Jointly with Daniel Hallberg.) Paper presented at the IZA conference on The Economics of Child Care (Bonn, November 15th - 16th, 1999) and at 14th Annual Conference of the European Society for Population Economics (ESPE 2000), Bonn June 15-17.
- Wealth dynamics in the 1980s and 1990s: Sweden and the U.S. (jointly with J. Lupton and F. Stafford) Paper presented at the Conference on Cross-National comparative Research Using Panel Surveys, October 26-27 2000, ISR, University of Michigan, Ann Arbor, MI Accepted for publication in *Journal of Human Resources*
- 2001     Micro simulation – a tool for economic analysis. Lecture presented at the International School on Mathematical and Statistical Applications in Economics, January 15-19 2001, at Västerås, Sweden Working Paper 2001:13, Department of Economics, Uppsala University
- On the wealth dynamics of Swedish families 1984-1998. Paper presented at the 21<sup>st</sup> Arne Ryde Symposium on Non-Human Wealth and Capital Accumulation, August 23-25, 2001, Lund Working Paper 2001:17, Department of Economics, Uppsala University
- Time for Children, a Study of Parents’ Time Allocation, (jointly with Daniel Hallberg), Working Paper 2001:21, Department of Economics, Uppsala University Accepted for publication in *The Journal of Population Economics*
- Inkomst- och förmögenhetsfördelningen för dagens och morgondagens äldre (The current and future income and wealth distributions of the elderly in Sweden). (Jointly with Björn Andersson and Lennart Berg) Expert report to the government commission “Senior 2005”, Stockholm.
- 2002     Swedish Pension Reforms in the 1990s. Working Paper 2002: 6, Department of Economics, Uppsala
- Interim report on the SHARE sampling design (jointly with Bengt Swensson) Report to the SHARE project 2002-06-05
- Should all age-eligible household members in the SHARE sample be interviewed? (jointly with Bengt Swensson). Report to the SHARE meeting in Copenhagen October 5-6, 2002.
- 2003     On Household Wealth Trends in Sweden over the 1990s. Paper presented at the conference on International Perspectives on Household Wealth at The Levy Economics Institute of Bard College, Oct 17-18, 2003. Department of Econ. Uppsala University Working Paper 2003:24
- 2004     Towards an Applicable True Cost-of-Living Index that Incorporates Housing. Dep. Econ. Uppsala University Working Paper 2004:18

- 2005 Dynamic Microsimulation for Policy Analysis – Problems and Solutions, paper presented at The Economics Conference of Australia 2005, Melbourne Sept 26-28 2005
- The distribution of Wealth in Sweden: Trends and Driving Factors, paper prepared for a conference on the distribution on wealth, Kammer für Arbeiter und Angestellte für Wien, Vienna November 7.
- Using auxiliary data to compensate for noisy time-use data, paper prepared for the Levy Institute time-use conference, New York, October 28-29 2005
- 2006 Explaining the size and nature of response in a survey on health status and economic standard (jointly with Fredrik Johansson), Working Paper 2006:2, Department of Economics, Uppsala University
- The income of the Swedish baby boomers. (jointly with Lennart Flood and Andreea Mitrut), Working Paper, Department of Economics, Gothenburg University
- 2007 Simulating an ageing population. A microsimulation approach applied to Sweden, Book manuscript. Jointly with Björn Lindgren, Lennart Flood, Kristian Bolin, Sören Höjgård, Matias Eklöf, Daniel Hallberg, Urban Fransson, Andrea Mitrut and Mårten Lagergren.
- Simulating the future of the Swedish baby-boom generations. Working paper 2007:26, Department of Economics, Uppsala University (jointly with the same collaborators as above). Presented at the 1<sup>st</sup> International Conference on Microsimulation, Vienna
- 2009 A new consumer price index that incorporates housing. Jointly with Olle Grünewald and Henrik Allansson, Working Paper 2009:15, Department of Economics, Uppsala University
- 2010 Microsimulation for public policy. Experiences from the Swedish model SESIM, ESRI Discussion Paper Series No. 242, Economic and Social Research Institute, Cabinet Office, Tokyo, Japan, also published in Research Report of International Collaboration Project 2009 “A new method to analyze macro economic policies”, Kansai Institute for Social and Economic Research (KISER), Osaka, Japan
